

MUNDYO PROPERTY CONSULTING LLC

Capabilities Statement

Expert General Contracting | Senior HVAC Technical | High-Tech Luxury Development

COMPANY OVERVIEW

Mundy Property Consulting LLC is a premier **General Contracting** and technical services firm based in Crystal Lake, Illinois. We specialize in the lifecycle management of high-yield residential assets and mission-critical public infrastructure. As a **Certified Minority Business Enterprise (MBE)**, we combine master-level mechanical expertise with advanced AI-driven automation to deliver "The Mundy Standard" of precision, durability, and forced asset appreciation.

CORE COMPETENCIES

Our firm provides a single point of accountability for complex construction and mechanical projects:

- **Expert General Contracting:** Lead oversight for ground-up construction, luxury structural renovations, and modular A-Frame resort developments.
 - **Mechanical & HVAC Engineering:** Senior-level installation, diagnostic, and maintenance of high-efficiency climate control systems and industrial-grade plumbing.
 - **High-Tech Integration:** Implementation of "never-before-seen" smart-home automation, motion-sync lighting, and AI-integrated building management systems (BMS).
 - **Federal & Public Works:** Strategic consulting for state and federal facilities, focusing on mission-critical mechanical infrastructure and facility modernization.
-

PAST PERFORMANCE

- **The Sovereign Manor (Flagship):** Lead General Contractor for a total high-tech revival of a 1950s estate. Integrated full-home automation and master-level mechanical systems.
 - **Industrial Infrastructure:** Technical consulting for large-scale mechanical renovations, ensuring zero-downtime during system upgrades.
-

DIFFERENTIATORS

- **Technical Hybridity:** We bridge the gap between a Senior HVAC Technician's mechanical knowledge and a Developer's visionary oversight.

MUNDYO PROPERTY CONSULTING LLC
